Welcome to Red Rock Holiday Park.
It really is the perfect place to
enjoy your next holiday.

Red Rock is located on the Southern bank of the Red Rock River and is an ideal family holiday spot. It has public parkland and a patrolled beach during summer months, and both the river and the ocean offer great fishing and safe swimming. The Red Rock River marks the Southern boundary of the Yuraygir National Park and is popular for canoe and small craft access to wilderness areas.

Red Rock is about 13km North of Woolgoolga, and around 40km North of Coffs Harbour, with Grafton about 85km to the North-West. Red Rock is in a pristine setting for fishing enthusiasts and beach lovers, and the perfect starting point for exploration of the wild and wonderful park. For the bushwalker there is a plethora of choices, including the recently completed 10km Angourie Coastal Walk.

Our Living Coast Sustainable Living Festival

The inaugural "Our Living Coast Sustainable Living Festival" will be bursting onto the scene this year from 30th October to 6th November at various locations around Coffs Harbour. The key themes of the Festival this year are Climate Change and Local Food. Come and learn about how you can reduce your energy bills, grow your own food and make your home, your business and your life more green and healthy. And that's just the start! There'll be plenty of music and entertainment from our wonderful local musicians and performers as well as fantastic local food. What better way to relax after a fun filled day than back at peaceful Red Rock Holiday Park, well known for its superb accommodation and affordable prices.
